

# Poets Of The Fall, Can You Hear Me

Hiding deep within, doors cry opening  
Lead into the light of love deep like the sea  
Rich in variety, heartfelt and open, wide like a life, unique, yet so alike

Can you hear me, I know I'm just a whisper  
Can you hear me, brother mine, sweet sister  
Love will find an answer

You flow inside of me, language and imagery, pure in simplicity  
Thirsting for unity, realized harmony,  
No need to hide away your life, unique, yet so alike

Can you hear me...

There's yet life in these words I speak for peace of mind and our release,  
And you can have what you want if you want it like you need to breathe,  
like you need to breathe, like you need to breathe  
Embrace reality

Can you hear me, I know I'm just a whisper  
Can you hear me, brother mine, sweet sister  
Love will find an answer
