

# Poets Of The Fall, Seek you out

Never said you'd promise anything  
Never told trust you blindly  
Never thought you'd hurt me either  
Never had a chance now aint that so  
Never should've wept when you let go  
Never thought you'd push me away  
Sad as it may be  
I'm glad it's over finally  
Speaks volumes of me  
When lettng go is never easy  
So i'll seek you out  
Just to find myself  
And i'll worry 'bout consequences later  
I hear you out  
Till I hear myself  
Hear myself in you  
Never knew if we were really true  
Never thought i'd ever get to you  
Never thought i'd end up like this  
Never was I stronger than i'm now  
Never felt this much a fool somehow  
Never had much thought for myself  
Sad as it may be  
I'm glad it's over finally  
It speaks volumes of me  
When lettng go is never easy  
So i'll seek you out  
Just to find myself  
And i'll worry 'bout consequences later  
I hear you out  
Till I hear myself  
Hear myself in you, oh  
I'll seek you out  
Just to find myself  
And i'll worry 'bout consequences later  
I'll hear you out  
Till I hear myself  
I hear myself in you, you  
I'll seek you out  
Just to find myself  
And i'll worry 'bout consequences later  
I'll hear you out  
Till I hear myself  
Hear myself in you  
I'll seek you out  
Never knew if we were really true  
Never thought i'd ever get to you  
Never thought i'd end up like this  
Never said you'd promise anything  
Never told trust you blindly  
Never thought you'd hurt me
