

Pogodno, I swear

All day I dream about you and then
I swear I'll do anything for you
I swear, I'll do anything for you
my love, my love, my love, my love
so what do you, what do you, what do you, what do you
what do you, what do you, what do you, what do you,
what do you want, want, want
what, what do you want?
All day I dream about you and then
I swear I'll do anything for you
I swear I'll do anything for you
my love
so where are you, where are you, where are you, where are you
where are you, where are you, where are you now
my heart, where are you now?
I swear, I'll do anything for you
