

Point Of Grace, Any Road, Any Cost

Verse 1:

Leavin the safe and familiar
with thier hearts set on a heavenly prize.
There were some who layed down thier nets
and some who lay down thier lives

Not sure where they were going
but they did not have to know
cause they knew who had called them
and they said we will go

Chorus:

Down any road
at any cost
where ever you lead we will follow
because we know
that you've called us to take up our cross
down any road
at any cost.

Verse 2:

It may be fear that we're feelin
when we see what we must sacrifice
but you promised you'll go with us,
so will trust with our lives

Chorus

Down any road
at any cost
where ever you lead we will follow
because we know
that you've called us to take up our cross
down any road
at any cost

Bridge:

It's you're love that compelles us
(to do)what you've called us to do
and be completly abandon (to) you

down any road(any road)
at any cost(at any cost)
where ever you lead we will follow
because we know that you've called us to take up our cross
down any raod(down any road at any cost)
