

Poison, Every Rose Has It's Thorns

We both lie silently still
In the dead of the night.
Although we both lie close together
We feel miles apart inside
Was it somethin' I said or somethin' I did
Did my words not come out right
Tho' I tried not to hurt you
Tho' I tried
But I guess that's why they say

Chorus:

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings his sad, sad song
Every rose has its thorn
Yea it does

I listen to your favorite song
Playin' on the radio
Hear the DJ say love's a game of
Easy come and easy go
But I wonder does he know
Has he ever felt like this
And I know you'd be here right now
If I could have let you know somehow

I guess

Chorus

Though it's been awhile now
I can still feel so much pain
Like a knife that cuts you
The wound heals, but the scar, that scar remains
I know I could have saved our love that night
If I'd known what to say
Instead of makin' love
We both made our separate ways
Now I hear you've found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife

Chorus
