

# Poison, Home (Bret's Story)

I want to go  
I want to go home now

I want to go

I want to go home now

(lets go)

saturday night rainbow bar and grill

where there's cocaine lines and a little white pill

a beer and a gin now I can't see straight

slip it in, no glove, oops, too late

I remember her face but forgot her name

she forgot mine too ain't that a shame

smelled like reefer and my hairs in a mess

I left my love running down her dress

chorus

Dave from Drowning Pool is here

steal's my women and he drinks my beer

buy's me a pizza and a shot of jim beam

and ask who the fuck is angeline

I to to piss the parking lot well I

get in a fight but I don't get caught

hell no problem cuz the nights still young

I wan a little more gonna get ya some

I want to go

I want to go home now

I want to go

I want to go home now

(CC lets go)
