I want to go  
I want to go home now  
I want to go  
I want to go home now  
(lets go)  
saturday night rainbow bar and grill  
where there's cocaine lines and a little white pill  
a beer and a gin now I can't see straight  
slip it in, no glove, oops, too late  
I remember her face but forgot her name  
she forgot mine too ain't that a shame  
smelled like reefer and my hairs in a mess  
I left my love running down her dress  
chorus  
Dave from Drowning Pool is here  
steal's my women and he drinks my beer  
buy's me a pizza and a shot of jim beam  
and ask who the fuck is angeline  
I to to piss the parking lot well I  
get in a fight but I don't get caught  
hell no problem cuz the nights still young  
I wan a little more gonna get ya some  
I want to go  
I want to go home now  
I want to go  
I want to go home now  
(CC lets go)  
(solo)

I eat dinner with nick cage and charlie sheen
