

Poison, Home(Bret's Story)

I want to go
I want to go home now
I want to go
I want to go home now
(lets go)
saturday night rainbow bar and grill
where there's cocaine lines and a little white pill
a beer and a gin now I can't see straight
slip it in, no glove, oops, too late
I remember her face but forgot her name
she forgot mine too ain't that a shame
smelled like reefer and my hairs in a mess
I left my love running down her dress
chorus
Dave from Drowning Pool is here
steal's my women and he drinks my beer
buy's me a pizza and a shot of jim beam
and ask who the fuck is angeline
I to to piss the parking lot well I
get in a fight but I don't get caught
hell no problem cuz the nights still young
I wan a little more gonna get ya some
I want to go
I want to go home now
I want to go
I want to go home now
(CC lets go)
(solo)
rock stars movie stars a hollywood scene
I eat dinner with nick cage and charlie sheen
nick asks me what the hell unskinny bop means
it's slang for CC banging a prono queen
mario, michael, tony and steady
RV won't ya get table six ready
my platinum records hang all around
rainbow's home when I'm in this town
