

Poison, The Last Song

When I lost my way
You were my light
When the others wronged me
You did me right
When I look in your eyes
Don't tell me lies
You tell me the truth
Your words, they get me through
This is all I've got
This is all I'd say
If this were my last day
This is my last song
It's all I got
If I bare my soul
Don't you break my heart
Won't you sing along
This is my last song
It's all I got
So don't you break my heart
Wrote down these words
Put them in this song
I play it for you
Pray they don't come out wrong
Cause all I've got's my word
I give it to you
Now it may not be much
It's the best that I can do
This is all I've got
This is all I say
So please don't walk away
This is my last song
It's all I got
If I bare my soul
Don't you break my heart
Won't you sing along
This is my last song
It's all I got
So don't you break my heart
solo
If this were my last breath
Or my last day
My last chance
This is what I'd say
I thank you for the laughter
Sorry for the tears
Time to say goodbye
I say goodbye
After all these years
chorus
You shouldn't have broke my heart
