

Pola Rise, Soulless Dance

24 seconds to decide
This place is like amaze
I don't know why it's falling apart
We're the tips
We're the guys
If lost myself I'm going round and round
Stock inside

After all I've gone I try
Hide my heart in other space
Hide my senses in the past
In the end I'll raise again
I'm hanging on ... my head
I'm dancing on the edge
This Soulless Dance
Losing my breath
Losing balance
This could be the hardest of all my own escapes

24 seconds to give up
You've locked the door when I was still inside
Just change your mind
I could find myself to time
... side to side
Not ready out
Full is...

After all I've gone I try
Hide my heart in other space
Hide my senses in the past
In the end I'll raise again
I'm hanging on ... my head
I'm dancing on the edge
This Soulless Dance
Losing my breath
Losing balance
This could be the hardest of all my own escapes
