

Poop, Pibty

I'm gonna do some rappin, yo yo
P-I-B-T-Y, what do it stand for?

(Let's break it down)

The first P is for Poop, what you can't ignore

The I is for is, like, this ain't your bis

The B is for better, like me over you

Now what can we do...onto the T

The T is for then, and the Y is for you

So, listen to poo

Chorus:

Poop is better than you,

Don't argue with me, you know it's true

Poop is better than you

Just sit there and listen,

(there's nothing else you can do)

I was up in the club with my homie G,

(Better known as Mr. Hankie)

We was partying, like we do with class

Just chillin out, and who do we pass?

This dude who goes by the name of Jay

He was crackin jokes 'bout us and acting

Real gay, So I went up to him and

Mr. Hankie, too, and we sang the song

That we're singing for you

Chorus:

Poop is better than you,

Don't argue with me, you know it's true

Poop is better than you

Just sit there and listen,

(there's nothing else you can do)

Uh huh, uh huh...

Uh huh, uh huh...

Till next time, Poop is better!
