

# Porcupine Tree, Sentimental

I never wanna be old  
And I don't want dependence  
It's no fun to be told  
That you can't blame your parents anymore  
I'm finding it hard to hang from a star  
Don't wanna be  
I never wanna be old

Sullen and bored the kids stay  
And in this way they wish away each day  
Stoned in the mall the kids play  
And in this way they wish away each day

I don't really know  
If I care what is normal  
And I'm not really sure  
If the pills I've been taking are helping  
I'm wasting my life  
Hurting inside  
I don't really know  
And I'm not really sure.....

Sullen and bored the kids stay  
And in this way they wish away each day  
Stoned in the mall the kids play  
And in this way they wish away each day
