

# Porter, Host Of A Ghost

I insist  
that you are in love my lover  
you passed out  
and I didnt even noticed  
I think of possession when I see your eyes  
Freud will be very,very,very mad

So,so,so,so..sorry you're gone  
So,so,so,so...deep in my mind

Lovely, lovely time is nothing but (lovely)  
Lovely, lovely time is nothing while (lovely)  
Lovely, lovely time is nothing but (lovely)

You're a host of a ghost  
You're a host of a ghost  
You're a host, you're a host of a ghost  
You're a host of a ghost, of a ghost, of a ghost..

Lovely, lovely time is nothing but (lovely)  
Lovely, lovely time is nothing but (lovely)...  
(Lovely time..)

You're a host of a ghost...
