

# Porter Wagoner, Curse Of The Wild Weed Flower

Today tomorrow and forever that's how long our love will last  
I'll never stop loving you no never today tomorrow and forever

We've got the kind of love most people dream about  
We're sure of our love in our mind there's no doubt  
And I know that you owe me by the things you do and say  
And our love keeps growing stronger day after day  
Today tomorrow and forever...

Each day you let me know just how much you care  
And you know if you need me you know I'm always there  
You don't have to say you love me over and over again  
I know because you show me and I know our love won't end  
Today tomorrow and forever...
