

# Porter Wagoner, If I Lose My Mind

Mama it's so good to be back home again I'm so proud to see that you are looking well  
Yes I know that I look a little weary oh but mama I have been through living hell  
Mama you know how much I've always loved her  
Well she done things to me I couldn't understand  
Why she parked one night in our driveway with a stranger  
Where I could see her making love to him  
Oh if I lose my mind mama I wanna be here with you  
Have them locked me up but see I have good care  
I just couldn't stand the torture any longer  
I was afraid of what I'd do if I stayed there

Oh mama she told me that her love had gone  
How I wish that I had left way back then  
But my love for her would not let me believe it  
Just like it won't let me forget seeing them  
Oh if I lose my mind...  
I was afraid of what I'd do if I stayed there
