

Porter Wagoner, Lovin' Lies

I'll never understand dear as long as I live I guess I will always wonder why
You told me that you loved me with all of your heart
And then without a warning said goodbye
Lovin' lies that I believed and now how I grieved
You didn't mean it from the start you told me lovin' lies and broke my heart
(steel - el.banjo)
You say I'll soon forget you and find somebody new but darlin' how wrong you are
I've only had one love dear and that was for you
And from that love my heart will bear the scar
Lovin' lies that I believed...
