

# Porter Wagoner, Milwaukee Here I Come

I'm a gonna get on that ol' turnpike and I'm gonna ride  
I'm a gonna leave this town till you decide  
Which one you want the most them Opry stars or me  
Milwaukee here I come from Nashville Tennessee  
Milwaukee is where we were before we came here  
Workin' in a Bluerry makin' the finest steer  
You came to me on payday night said let's go to Tennessee  
So we came down to Nashville to the Grand Ole Opry  
We were watchin' TV Porter Wagoner singin' loud  
I said that's the man for me I love him there's no doubt  
I'm leavin' now to see if I can find out where he's at  
Never can get im I'm settled for that bluegrass Lester Flatt  
Oh I'm a-gonna get on that ol' turnpike and I'm gonna ride  
I'm a gonna leave this town till you decide  
Which one you want the most me or Wilma Lee  
Milwaukee here I come from Nashville Tennessee  
I'm a goin' now and trade my ol' Ford for a nose  
Honey I might get all drunk up and trade it for the rose  
There's a one thing I know for sure I'll always be blue  
There ain't no way get drunk enough to stop lovin' you  
So I'm a gonna get on that ol' turnpike and I'm gonna ride  
I'm a gonna leave this town till you decide  
Which one you want the most me or Jerry Reed  
Milwaukee here I come from Nashville Tennessee  
Oh Milwaukee here I come from Nashville Tennessee
