

# Porter Wagoner, On The Rebound

ON THE REBOUND  
WITH PAMELA ROSE GADD  
(Charlie Craig - Larry Atwood)

I was going your way and it was plain to see you were going mine  
We were both searching for a way to leave some old memories behind  
Somebody broke my heart and I could tell somebody let you down  
We were two lonely people two lonely people on the rebound  
You cried on my shoulder for a while then we turned it around  
I told you about her I told you about him then we found then we found  
Just like the sun left yesterday and finally went down  
The old love is gone and a new love was born on the rebound  
We were brought together each looking for an understanding smile  
Someone to just talk to and sit and reminisce for a while  
We picked up the places like scattered yesterdays on the ground  
Yes we found each other two lonely people on the rebound  
You cried on my shoulder...  
The old love is gone and a new love was born on the rebound
