

# Possessed, Fallen Angel

Deceiving angel full of hate  
Outcasts will rebel  
Below the crust, the dark kingdom  
Also known as Hell

Fallen angel distrusts god  
Exiled down below  
His burning lust to power all  
Starts his own domain

Poisoned minds, evil plague  
Wicked shrines, where you beg  
Merciless angel fell  
Soul won't rest, into hell

Flames of fury burning hot  
Glowing in his eyes  
Down below forever rot  
Until his soul can rise  
Hellsent souls become his slaves  
Working against all  
Bringing pain the masters raves  
Lucifer they call

Poisoned minds, evil plague  
Wicked shrines, where you beg  
Merciless angel fell  
Soul won't rest, into hell
