

# Post Malone, Die for Me (feat. Future & Halsey)

oh yeah /3x  
you'd Die For Me

said you'd Die  
said you'd Die  
but you lived  
you lied to me

said you take a bullet  
told me you would die for me  
I had a really bad feeling  
you'd been lying to me

we were on the low  
but you were getting high with me  
when it's past 11  
that's a different side I see

[Halsey:]  
Settle down,  
i'll spell it out  
it's simple enough  
I came around  
I figured out  
should follow my gut  
I don't play anymore  
I went through your phone  
and caught the girls in your DMs and took all them home  
and know it's been a while since the last time you heard from me  
grew into a savage and that's why they gave this verse to me  
turns out at shows 'cause they turn out at shows  
I sold 15 milion copies of a break-up note  
let some strangers in our lives  
and now you lost your right to privacy  
spilling all our secrets  
when you though they'd probably die with me  
know you fucking love it on the low  
and you don't have to say I;m crazy  
cause I know nothing's changed through
