

# Post Malone, Wow.

## [Verse 1]

Said she tired of little money, need a big boy  
Pull up 20 inch blades like I'm Lil' Troy  
Now it's everybody flockin', need a decoy  
Shawty mixing up the vodka with the LaCroix, yeah  
G-Wagen, G-Wagen, G-Wagen, G-Wagen  
All the housewives pullin' up (Up, up)  
I got a lot of toys, 720S bumpin' Fall Out Boy  
You was talkin' shit in the beginning (Mm-mm)  
Back when I was feelin' more forgivin' (More forgivin')  
I know it piss you off to see me winnin' (See me winnin')  
See the igloo in my mouth when I be grinnin' (I be grinnin'), yeah

## [Chorus]

Hunnid bands in my pocket, it's on me  
Hunnid deep when I roll like the army  
Get more bottles, these bottles are lonely  
It's a moment when I show up, got 'em sayin', &quot;Wow&quot; (Wow, wow)  
Hunnid bands in my pocket, it's on me (On me)  
Yeah, your grandmama probably know me (Know me)  
Get more bottles, these bottles are lonely  
It's a moment when I show up, got 'em sayin', &quot;Wow&quot; (Wow, wow)

## [Verse 2]

Everywhere I go (Hey)  
Catch me on the block like I'm Mutombo (Wow)  
750 Lambo in the Utah snow (Skrrt)  
Trunk in the front like that shit Dumbo, yeah  
Cut the roof off like a nip-tuck  
Pull up to the house with some big butts  
Turn the kitchen counter to a strip-club (Yeah, wow)  
Me and Dre came for the...  
When I got guap, all of y'all just appeared (Wow)  
Before I dropped Stoney, none of y'all really cared (Cared)  
Now they always say, &quot;Congratulations,&quot; to the kid (Kid)  
And this is not a 40, but I'm pourin' out this shit (Yeah)  
Used to have a lot, but I got more now (Yup)  
Made another hit 'cause I got bored now (Yup)  
Always goin' for it, never punt fourth down  
Last call, Hail Mary, Prescott touchdown, ayy

## [Chorus]

Hunnid bands in my pocket, it's on me (On me)  
Hunnid deep when I roll like the army (Hey)  
Get more bottles, these bottles are lonely  
It's a moment when I show up, got 'em sayin', &quot;Wow&quot; (Wow, wow)  
Hunnid bands in my pocket, it's on me (Yeah, yeah)  
Yeah, your grandmama probably know me (Yeah, yeah)  
Get more bottles, these bottles are lonely  
It's a moment when I show up, got 'em sayin', &quot;Wow&quot;
