

# Power Cat, Nude As The News

I still have a flame gun  
For the cute cute cute ones

And I saw your hand  
With a loose grip  
On a tight ship

I still have a flame gun  
For the cute ones  
To burn out all your tricks  
And I saw your hand  
With a loose grip  
On a very tight ship

And I know  
That in the cold light  
There's a very big man  
There's a very big man  
Leading us into  
Temptation

Jackson, Jesse, I've got a son in me  
Jackson, Jesse, I've got a son in me

And he's related to you  
He's related to you  
He is waiting to meet you

He's related to you  
He's related to you  
He is dying to meet you

Backhand, role reversal  
Where is someone  
Backhand, reversible roles  
I know there's someone

I still have a flame gun  
For the cute ones  
To burn out all your tricks  
And I saw your hand  
With a loose grip  
On such a tight ship

And I know that in the cold light  
Is a very big man  
Leading us into  
Temptation
