

Powerman 5000, Danger Is Go!

Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!

Painless, hopeless, needless, excess
Fear this, find this, fill this, reject
Build it, burn it, break this down
The helpless only make this sound

Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Come on!

You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!
You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!

Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!

Sickness, quickness, gutless, respect
Fallen, frozen, fashion, reflect
Turn it, twist it, tear this down
The soul-less only make this sound

You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!
You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!

Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!
Go, go, go!
Go, go, danger is go!

You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!
You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!

You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!
You wanted, you wanted, you wanted danger
You needed, you needed, danger, danger!

Danger! Danger! Danger! Danger!
Danger! Danger! Danger! Danger!
