

Powerman 5000, Riot Time

Let's get it on
From city to city
The future looks bright
But it ain't looking pretty

C'mon!
(C'mon)
C'mon!
(C'mon)

Now here comes the problem
Here comes the joke
The more that you breathe
And the more that you choke

C'mon!
(C'mon)
C'mon!
(C'mon)

The choices are many
Will add up to none
The feeling's severe
And the rest just run

C'mon!
(C'mon)
C'mon!
(C'mon)

What's mine is mine
What's yours is mine
You must understand
That this ain't a crime
No turning back
When you cross the line
People c'mon
It's riot time
Riot time
Riot time!
Riot time

When people all change
By staying the same
And even your friends
Can't remember your name

C'mon!
(C'mon)
C'mon!
(C'mon)

The sun's going down
And the sky's getting black
And the whole wide world
Keeps riding on your back

C'mon!
(C'mon)
C'mon!
(C'mon)

What's mine is mine
What's yours is mine

You must understand
That this ain't a crime
No turning back
When you cross the line
People c'mon
It's riot time
Riot time
Riot time!
Riot time

What's mine is mine
What's yours is mine
You must understand
That this ain't a crime
No turning back
When you cross the line
People c'mon
It's riot time

Riot (Riot!)
Riot (Riot!)
Riot
Riot time!
C'mon!

Riot (Riot!)
Riot (Riot!)
Riot
Riot time!
C'mon!

Riot (C'mon!)
Riot (C'mon!)
Riot (C'mon!)
Riot time! (Riot time!)

Riot (C'mon!)
Riot (C'mon!)
Riot (C'mon!)
Riot time! (Riot time!)

What's mine is mine
What's yours is mine
You must understand
That this ain't a crime
No turning back
When you cross the line
People c'mon
It's riot time

Riot time!
Riot time
Riot time!
Riot time
Riot time!
Riot time
