

Powerman 5000, When Worlds Collides

Now this is what it's like when worlds collide...
Now this is what's it's like...

Now this is what it's like when worlds collide...
Now this is what's it's like...

What is it really that's going on here?
You've got the system for total control!
Now is there anybody out there?
Now watch us suffer, cause we can't go!

What is it really that is in your head?
What little life that you had just died!
I'm gonna be the one that's takin' over!
Now this is what it's like when worlds collide....

Are you ready to go?
Cause I'm ready to go!
What you gonna do baby, baby!?
Are you going with me?
Cause I'm going with you!
That's the end of all time!

What is it really that motivates you?
The need to fly or this fear to stop?
I'll go along but then you realize...
When we get there I say 9 of 10 drops!

Now who's the light and who's the devil?
You can't decide so I'll be your guide!
And one by one they will be hand chosen!
Now this is what it's like when worlds collide.....

Are you ready to go?
Cause I'm ready to go!
What you gonna do baby, baby!?
Are you going with me?
Cause I'm going with you!
That's the end of all time!

--You are a robot!--

Now this is what it's like when worlds collide...
Now this is what's it' like...

Now this is what it's like when worlds collide...
Now this is what's it' like...

What is it really when they're falling over?
Everything you thought was denied!
I'm gonna be the one that's takin over!
Now this is what it's like when worlds collide....

Are you ready to go?
Cause I'm ready to go!
What you gonna do baby, baby!?
Are you going with me?
Cause I'm going with you!
That's the end of all time!

Are you ready to go?
Cause I'm ready to go!
What you gonna do baby, baby!?
Are you going with me?

Cause I'm going with you!
That's the end of all time!

Are you ready?
Yes, I'm ready!
That's the end of all time!!!

Are you going?
Yes, I'm going!
That's the end of all time!!!
