Mater sin - the name of god
Where nights in war and fire
Raise your sword for holy blood
We burn them on the pier

To defend, to commend to the holy war
Mater Maria
To the end we will stand, we are fighting for
Deus in regnum!

In the Name of God
In the Name of God
In the Name of God we go to heaven

In the Name of God
In the Name of God
In the Name of God we go to heaven

Brother sin, believe in sword
To nights of blood and thunder
Strike for glory and reward
We came to kill and plunder

To your faith, your crusade to the holy war
Mater Maria
To the end we will stand, we are fighting for
Deus in regnum!
