

Preps Four, Charmaine

I wonder why you keep me waiting
Charmaine, my Charmaine
I wonder when bluebirds are mating
Will you come back again

I wonder if I keep on praying
Will our dreams be the same
I wonder if you ever think of me, too
Charmaine, my Charmaine

Charmaine, my Charmaine

Will you come back again

I wonder if I keep on praying
Will our dreams be the same
I wonder if you ever think of me, too
Charmaine, my Charmaine
