

President Fetch, Next Person Is....

My bed is shaking
My Body's thrown forwards and backwards
Forwards to my feet Backwards to my pillow
MOMMY! What's happening to me?...FUCK me....

Next Person Is....

See that girl sitting in the corner
Spitting bile on my face
So that the vomit covers the tears on my cheeks
What has happened to you my little girl?

Next person is....

Lyrics written by Chris Juris 1986
Music composed by Chris Juris & Per Eriksen 1988
This song appears on the album "The Eternal Need Of..."
All President Fetch (1986-90) lyrics written by Chris Juris
