Pretenders, I'm A Mother

I'm a mother Treat me like a mother You wanna suck on my breast It's no surprise you do I'm the source and the force You owe your life to, brother

Oh Oh Oh

I'm a mother And I take like a mother I understand blood And I understand pain There can be no life without it Never doubt it I'm a mother

I gave you all my money To help the family But what you do to me Don't humiliate me Remember I'm a life-long member

Oh

I'm a mother And I fake like a mother I understand time And it isn't on my side But to service mankind I have to suffer his pride Like a mother

Oh Oh Oh

You say your protection Is proof of your affection If I need security I'll keep a gun on me Oh Don't barter with me Don't barter with me

Little sacrifices Go straight to heaven But hunting season's over This is the 20th century Oh Don't barter with me

Oh Oh

Oh

I'm a mother And I ache like a mother If there's a terrible crash And bodies thrown everywhere I'll wrap 'em up and carry 'em If someone has to bury them Brother

Oh Oh Oh

Call upon mother

I'm the vessel of life I got the trauma here to prove it When it's time for me to labour for you Everybody move it Like a mother

Oh Oh Oh
