Pretty Girls Make Graves, Sad Girls Por Vida

Waiting, wondering, While trying to own up, if I find the words, Apologies are useless without An address to send them to Waiting, wondering, How long you could be missing from my life Without a clue I've racked my brain about a hundred times a day I'm confused by everything, I've used my means, I'm still uncertain Now it boils down to one big question Are we separated by five states, two countries, Or the next town over? Sad girls for life (x4) (I just want to say) I've racked my brain about a hundred times a day I'm confused by everything, I've used my means, I'm still uncertain Waiting, wondering I guess I'll keep my fingers Crossed till I can get an answer Sad girls for life (x4)(I just want to say) (What's the last thing I said to you? Can't count on anyone but you) Wait, wait, wait, I'll wait here for you (x4)
