

# Pretty Maids, I Am The End

Im the one who holds the key  
The master of your destiny  
The final station down the line  
Im coming for you when its time  
Im the truth you cant escape  
Eventually well meet someday  
Ooh I am the end  
The messenger of darkness  
Im the end hey  
You fear what you dont understand  
You fear the harvester of man  
But where you end up who can tell  
At the gates of heaven  
Or the pits of hell hmm mm  
Are your final curtain call oh yeah  
The conclusion to it all  
Ooh I am the end  
The messenger of darkness  
Then again oh yeah  
I am the end  
The path to something bigger  
To begin Im the end yeah  
And when that day is comin  
When the bell rings  
When your time is runnin out  
Ill be waitin in the wings  
Ill be there to be your guide  
Ill lead you to the other side of life alright  
Well Im the last resort you know  
Ill tell you when its time to  
Go go go go yeah  
Ooh I am the end  
The messenger of darkness  
Then again my friend  
I am the end  
The path to something bigger  
To begin Im the end hoo
