Yes sir  
Yes sir  
Yes sir

[Chorus]

I got new shoes on the ride (yes sir)  
Rollin' down 95 (yes sir)  
And you can see in my eyes (yes sir)  
That I'm lookin for a cutiepie (yes sir)  
And we ain't gotta make love (yes sir)  
And we can just cuddle up (yes sir)  
But if she want me to beat it up (yes sir)  
Then dammit, I'll beat it up (yes sir)  
My body, your body (it's burnin' up)  
My body, your body (it's burnin' up)  
My body, your body (it's burnin' up)  
My body, your body (it's burnin' up)

[Baby Blue]

I don't know why, but the ladies call ol' baby blue the sticker  
They take me and rape me and make me they victim  
I lick em and freak 'em if they married I see ya  
If they look like wifey material, then I keep 'em  
Stuntin' through the city tryin' to find a lady who  
Beautiful, but she gotta have booty too  
Baby blue gonna let you do what you wanna do  
You can feel on it if you really want to  
Get a taste of the salami
