Prima Dona, Little Star

Never forget who you are Little star Never forget how to dream Butterfly

God gave a present to me Made of flesh and bones My life My soul You make my spirit whole

Never forget who you are Little star Shining brighter than all the stars in the sky Never forget how to dream Butterfly

Never forget where you come from From love You are a treasure to me You are my star

You breathe New life Into my broken heart

Never forget who you are Little star Never forget how to dream Butterfly

May the angels protect you And sadness forget you Little star

There's no reason to weep Lay down your head to sleep Little star

May goodness surround you My love I have found you Little star

Shining bright
