

Prima Dona, Nothing Really Matters

When I was very young
Nothing really mattered to me
But making myself happy
I was the only one

Now that I am grown
Everything's changed
I'll never be the same

Because of you

Nothing really matters
Love is all we need
Everything I give you
All comes back to me

Looking at my life
It's very clear to me
I lived so selfishly
I was the only one

I realise
That nobody wins
Something is ending
And something begins

Nothing really matters
Love is all we need
Everything I give you
All comes back to me

Nothing takes the past away
Like the future
Nothing makes the darkness go
Like the light

You're shelter from the storm
Give me comfort in your arms
