Prima Dona, To Have And Not To Hold

To have and not to hold So hot yet so cold My heart is in your hand And yet you never stand

Close enough for me to have my way To love but not to keep To laugh not to weep Your eyes they go right through

And yet you never do Anything to make me want to stay

Like a moth to a flame Only I am to blame Ba ba da ba ba ba

What can I do? Ba ba da ba ba ba I go straight to you

Ba ba da ba ba ba I've been told You're to have Not to hold

To look but not to see
To kiss but never be
The object of your desire
I'm walking on a wire

And there's no one at all To break my fall
