

# Primal Fear, Bleed For Me

The Night Was Dark, The Horizon Was Far  
I Felt The Wind In My Face  
After The Rain, When Death Embraced  
And I'm Waiting For The Sunrise  
Between Paradise And Suicide  
When All Is In Vain...

Can't You See The Anger In Me  
There Are Things You Should Know  
How Does It Taste, The Smile On My Face  
And There's Nothing You Can Do

There Will Be No Tomorrow, When I'm Gone

You Will Sleep In A Bed Of Lies  
You Will Wake Up In The Middle Of The Night  
You Will Bleed For Me

I Slam The Door And Dust Me Off  
When Your Smile Gets Old And Faded  
You'll Burn In Flames Forget My Name  
When Death Keeps Knocking At Your Door

When All Is Said And Done  
And You Can't Breathe No More

You Will Sleep In A Bed Of Lies  
You Will Wake Up In The Middle Of The Night  
You Will Pray For Mercy And Bleed  
You Will Bleed For Me

I Close My Eyes And There Isn't Time For Pain  
You'll Go Insane, Like There's A Bullet In Your Brain

You Will Sleep In A Bed Of Lies  
You Will Wake Up In The Middle Of The Night  
You Will Pray For Mercy And Bleed  
You Will Bleed For Me
