Primal Fear, Living For Metal

They were comin' to our city With a wall of energy Got their records and went crazy This is how it's gotta be

This heavy sound Has got into our veins It tore us all around Exploring our brains

Living for metal You keep us going Living for metal We hear you roaring Metal is our life

Now we're comin' to your city Formed a band right on our iwn All the fans are going crazy Playing metal all night long

This heavy sound Has got into our veins It tears you all around It's getting in your brain

Living for metal You keep us going Living for metal We hear you roaring Metal is our life

-Solo-

Born to play the sound Bang to the beat Which turns you on (Which turns you on) Feel the shakin' ground So stamp your feet And sing this song

Living for metal You keep us going Living for metal We hear you roaring Metal is our life

Living for metal You keep us going Living for metal We hear you roaring Metal is our life
