

# Primal Fear, Sign of Fear

Do you see me in the light  
All the ember I ignite  
You can't control my will  
I will sign your testament  
It's a prophecy, no argument

When the sun goes down, my time has come  
You will hear the beat of the drums

[Chorus:]  
I'm your death trap  
Well I'm your sign of fear  
Death trap  
You can't disappear  
I'm your death trap  
You will crawl and taste the mud  
Death trap  
Until you're drenched in blood

Well my mission will be done  
You will hear the sound of a gun  
Rising up from the ashes  
Only your memory remains  
In God we trust

When the sun goes down, my time has come  
You will hear the beat of the drums

[Chorus]  
My eyes will watching every move  
And if you think you're save  
Your life will turn to you
