Bringin' Down The Enemy  
To His Final Slaughter

Livin' On Our Fantasy  
They Have Killed Our Daughters  
And Now Some Heads Are Gonna Fall

We're Gonna Kick'em  
Up And Down The Battlefield  
They're Gonna Feel  
What We Went Through

But Knowing They Won't Make It  
We Bring This Battle To An End  
Fighting For Our Liberty  
Getting Independent  
Let's Spread This Message To The Land

We Never Let This Happen Once Again  
And Now They've Got  
What They Deserve

We Go Down - Into The

To Their Final Battlefield  
Bring'em Down  
Take'em To The Slaughter
