

# Primal Scream, Call On Me

If you're broke down and you're needin' a ride  
If you're feelin' more dead than alive  
If you're hungry and you're needin' a feast  
If you wanna get drunk every night of the week

Call on me, baby

Call on me, yeah, yeah, yeah

If you're lonely

You can hold me

Call on me

If you're bored right out of your mind

If you're lookin' for a partner in crime

If you're hung up and you wanna get down

You wanna shake your funky hips all around

Chorus

Call, call, call on me

Baby, Baby, baby

won't you call on me

call, call, call on me

Baby, Baby, baby

won't you call on me

Repeat (3x)

Oh yeah

Won't you call on me, baby

(Baby, baby, baby)

(Won't you call on me)

My, my, my

Got to call on me, honey

(Baby, baby, baby)

(Won't you call on me)
