

# Primal Scream, (I'm Gonna) Cry Myself Blind

Nothin' last forever  
It's so sad to lose your love  
I've been crazy since you left me  
I'm sorry for what I've done  
Why did you go, why did you go

Have you ever had a broken heart  
Have you ever lost your mind  
Have you ever woke up screamin'  
'Cause you're so lonely you could die  
Why did you go, why did you go  
I'm lonely baby

[Chorus]  
Cry, cry, cry  
Cry, cry, cry  
I'm gonna cry myself blind  
Cry, cry, cry  
I'm gonna cry myself blind

Good times don't come easy  
Dreams don't all come true  
The world looks like a prison  
When you're stingin' with the blues  
Why did you go, why did you go  
I'm gonna cry myself blind

Repeat [Chorus] (2x)

Cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry  
Cry, cry, cry...
