

Primal Scream, Swastika Eyes

Your soul don't burn
You dark the sun
You rain down fire on everyone
Scabs police government thieves
Venal psychic amputees

Your parasitic
Your syphilitic
Your parasitic
Your syphilitic

Swastika eyes
Swastika eyes, she got swastika eyes
Swastika eyes, she got swastika eyes
Swastika eyes
Swastika eyes

I'll vent my spleen
I'll keep my dreams
My flesh my bones my soul i own
My mind's a weapon immune from infection
Blood in my eyes my vision is clear

Your parasitic
Your syphilitic
Your parasitic
Your syphilitic

Swastika eyes
Swastika eyes, she got swastika eyes
Swastika eyes, she got swastika eyes
Swastika eyes
Swastika eyes

I see your autosuggestion psychology
Elimination policy (policies?)
A military industrial illusion of democracy
Swastika eyes swastika eyes swastika eyes

I see your autosuggestion psychology

A military industrial illusion of democracy
