

PRIME & ILLEGANCE, It's Going Down

It's Going Down
On the way to the fucking top
We're never going to stop
It's Going Down
Real hip hop coming back
Pass around, when you're balck
It's Going Down
This is how we do it man!
One love, one game
It's Going Down
Throw your mutherfucker hands up
Throw your mutherfucker hands up

It's Going Down
Now I'm on the right track
It took while but I'm there, where my heart stop
Heart attack
WTF?
Where Am I now?
Now I feel like mutherfucker flashback
What?
We got to take it back
To the real rap
.. about
What is around
How we see that rap arena
What is decision of the season
What is the weapon you can use it when if you skill sad
We're black coz I raise to this music
I'm made of this music man
Game changes we stay the same
One bit, one mic, one story man
Real talk mutherfucker
Better run mutherfucker

Drop it in your black mutherfucker
