Prime STH, I'm Stupid

i'm stupid, you're smarter
i'm stupid, thinking theres a way
that this could turn out right
i'm dreaming, you woke up
and i should have known from the start
that you were never mine

cuz if i can make you love me
you're outta reasons to stay
make it easy on yourself
and don't worry 'bout me
don't make you feel something you don't

i'm crying, but don't pity
i'm dying, but just walk away
i'm gonna be alright
cuz i was screaming, but you woke up
and i'm gonna miss you but i (miss you but i)
i'm gonna be alright

cuz if i can make you love
you're outta reasons to stay
make it easy on yourself
and don't worry bout me
if i can make you love me
you're not the one here to blame
and i will make it on my own
and don't worry 'bout me
don't worry 'bout me
don't worry 'bout me

i'm stupid, you're smarter
i'm stupid, thinking theres a way
this could turn out...right

cuz if can make you love me you're outta reasons to stay
make it easy on yourself
and don't worry bout me
if i can make you love me
you're not the one here to blame
and i will make it on my own
and don't worry 'bout me
don't worry 'bout me
don't worry 'bout me

cuz if i can make you love me your outta reasons to stay
make it easy on yourself
and don't worry bout me
don't worry bout me
