

# Primer 55, The Big Fuck You

Little bitch boys,  
Thinking nothin's gonna happen  
Hear ya talkin shit but I can't stop laughin'  
A little psycho,  
Ego trippin'  
On ya chin where ya got caught slippin'  
Two faces on the same head,  
Rippin' one off to make the other see red  
I feel hate,  
Just gotta destroy,  
One little,  
Two little,  
Three little bitch boys

Chorus  
Here I come,  
Here I come,  
Out of the blue,  
Little bitch boy with the big fuck you  
Here I come,  
Out of the blue,  
Talk enough shit,  
Gonna see what the fuck I do

Bitch boys gonna stir up some shit,  
Bitch turn around,  
Turn around get your wig split  
Pull the hammer back as I put the fucking clip in  
Just like 007 on a mission  
Insane, goddamn I think i'm loco,  
Just another voice in my head  
That I don't know  
I still hate,  
I still gotta destroy,  
Every last one of those muthafuckin' bitch boys

Chorus

Another track from the dark side,  
Dark side of my psyche  
If you think I won't,  
Muthafucker just try me  
Steppin' on up, step, step,  
To the front line  
You got yours, muthafucker,  
I will get mine.
