

# Primus, Jilly's On Smack

Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for the holidays  
Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for the holidays  
Jilly left home  
To pick her own bone  
She made it on her own  
In the market place  
But Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for these holidays

Now Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for the holidays  
Jilly had a smile  
That spanned over a mile  
She left him standing in the aisles  
On the big parade  
Jilly always phoned her mother  
Emailed daily to her brother  
Til she took a junkie lover  
And began to fade  
Now Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for the holidays

Jilly's on smack, and she won't be comin' back  
No she won't be comin' back, for the holidays
