

# Primus, Mary The Ice Cube

I once had an ice cube  
Pretty little ice cube  
Now it's gone  
Now it's gone

Her name was Mary  
Pretty little ice cube  
Now she's gone  
Now she's gone

She was so shiny  
My pretty little ice cube  
Now she's gone  
Where's she gone?

She's gone with the others  
The shiny little ice cubes  
Movin' on  
Movin' on  
She's gone

Doesn't nothing ever last forever?

I miss my ice cube  
Pretty little ice cube  
Since she's withdrawn

I held her in my hand  
My chilly little ice cube  
Was it wrong?  
Was it wrong?

She slipped away  
My moist little ice cube  
To oblivion  
Oblivion

She left me standing  
With tears on my face  
On the lawn  
So I wrote this song

Pretty little ice cube  
Where have you gone?  
Doesn't nothing ever last forever?

It's been declared  
That it's not wise to prize something too much  
I just wish to find something  
To fondle and to touch so gently

Doesn't nothing ever last forever?
