

Primus, Nature Boy

I pull the blinds then I take my clothes off
Dance around the house like nature boy
My genitalia and pectoral muscles
aren't quite what I would like them to be

But you don't see me
No one can see me

I pull my blinds
Fill out my income tax form
Pen in hand I write so legibly
I have my kitty. His name is Allowishus,
I stroke him

But you don't see me
No one should see me

I pull the blinds
For the sun glares off my tele
and I find it quite so irritating
I have my videos - loads of Ren and Stimpy
Bottom - a bit of pornography

But you don't see me
No one should see me

Well, I've been known to tell a tale in two, and three, and four
And I've been persecuted since I sailed in through the door
And I've been known to sing a song in three, and four, and five
And I've been getting my ass chewed since the day I arrived here

But you don't see
No one should see me
