

Primus, On The Tweek Again

Used to come around here
To peddle his wares
A lot more takers now
The turkey "J"
You can taste the air
Around your face
His name was Barrest Jeffries
They picked him up twice
For cooking up amphetamine
Now he's on the tweek again
Drinking county prune
He doesn't mind so much
So we'd sit around the fire
Singing "Kumbaya"
"Kumbaya", I said
