

Primus, Sathington Willoby

We are gathered here
Today in these majestic
halls of old to honor
a man they call
Sathington Willoughby.
There's a joke or two,
A pun or three
I feel that must be
told then I go on to
speak of Sathington Willoughby.
Sathington Willoughby
the legislator that
penned us up a bill
that banned the use
of certain things like this and that.
